round!*

## Gallon ( 8Lbs ) Fresh, Wild Caught Sea Scallops

Eastern Fisheries, the world's largest scallop company, is proud to offer this product and guarantees its superior quality and freshness. North Atlantic sea scallops are prized the world over for their sweet flavor, delicate texture and versatile cooking applications.

**SERVING SUGGESTION:** Whether sautéed, fried, broiled, or baked, sea scallops should never be overcooked. Cook only until center is opaque and has reached an internal temperature of 145°.
